

## SCANNING OF CGS ARCHIVE MATERIALS / DATA SERVICES

### SCANNING OF CGS ARCHIVE MATERIALS

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
Scans (A5, A4, A3) <sup>1</sup>	CZK 10	50 pages
Scans (up to a width of 1,016 mm above A3) <sup>1</sup>	CZK 50	25 pages
Scans (attachments with atypical sizes above A1) <sup>1</sup>	CZK 220	10 pages
Digitized archive document viewer – access for 1 person/365 days	CZK 1 000	–

### CONTINUOUS DATASETS IN GIS FORMATS

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
GEO CR 50 (1 map sheet)	CZK 8 250	1 sheet
GEO CR 50 (1 km <sup>2</sup> )	CZK 20	1 sheet
GEO CR 50 radon index map (1 map sheet) <sup>4</sup>	CZK 14 440	1 sheet
GEO CR 50 radon index map (1 km <sup>2</sup> ) <sup>4</sup>	CZK 35	1 sheet
Soil map 1:50,000 (1 map sheet)	CZK 5 170	1 sheet
Soil map 1:50,000 (1 km <sup>2</sup> )	CZK 14	1 sheet
GEO CR 25 (1 map sheet)	CZK 4 190	1 sheet
GEO CR 25 (1 km <sup>2</sup> )	CZK 50	1 sheet
GEO CR 500 – geological map (entire Czech Republic)	CZK 24 839	region
GEO CR 500 – geological map (1 km <sup>2</sup> )	CZK 0,2	region

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
Regional geological maps 1:2,500,000 (entire set)	CZK 2 500	CR
Raster data from the CGS Digital Archive – maps	CZK 550	1 sheet

## DISCRETE DATASETS IN GIS FORMATS

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
Key data single layer – mineral deposits, mining impacts, landslides – reported, ... (1 object)	CZK 17	25 objects
Key landslide data (CGS mapping)	CZK 39	25 objects
Location of database objects (A4 format)	CZK 55	

## DATA IN OTHER FORMATS

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
Basic data on a geologically documented object (1 object)	17 CZK	100 objects
Item – profile layer (1 layer)	CZK 3,50	100 objects
Well log curves (1 curve)	CZK 110	10 objects
Basic data on hydrogeological object – ZUO (1 object)	CZK 17	100 objects
Selection from comprehensive data on a hydrogeological object (1 object)	CZK 28	100 objects
Supplemental basic data on a hydrogeological object	CZK 22	100 objects
Comprehensive data on a hydrogeological object	CZK 55	100 objects
Comprehensive information – mineral deposits, mining impacts, landslides – reported, ...	CZK 330	25 objects
Comprehensive landslide information – CGS mapping (1 object)	CZK 385	25 objects
Primary seismic data (1MB) <sup>3</sup>	CZK 165	–
Secondary seismic data – 6-fold coverage (1MB) <sup>3</sup>	CZK 550	20 profiles
Secondary seismic data – 12-fold coverage (1MB) <sup>3</sup>	CZK 1 100	20 profiles
Secondary seismic data – 24-fold coverage (1MB) <sup>3</sup>	CZK 2 200	20 profiles
Secondary seismic data – 48-fold coverage (1MB) <sup>3</sup>	CZK 3 300	20 profiles

	Price	Maximum amount of data provided to students <b>free of charge</b> <sup>2</sup>
Check-shot survey (1 object) <sup>3</sup>	CZK 110	10 objects
Secondary gravimetry, spectrometry, radiometry, magnetometry data (1 km <sup>2</sup> ) <sup>3</sup>	CZK 1,10	4 sheets 1 : 50 000
Primary petrophysical data (1 sample) <sup>3</sup>	CZK 17	100 surface samples or 10 borehole samples
Other non-analytical data (1 hour of processing)	CZK 651	50 records
Other analytical data (1 hour of processing + 10 % of the currently listed price for analyses)	CZK 651 + x	20 records

## OTHER SERVICES ASSOCIATED WITH PROVISION OF DATA

	Price
Work conducted by a GIS or database specialist (1 hour)	CZK 777
Work conducted by a technician (1 hour)	CZK 651
Data recorded on CD/DVD (1 piece – price includes data carrier)	CZK 110

<sup>1</sup> Regardless of file format (PDF, JPG).

<sup>2</sup> The Czech Geological Survey provides students working on bachelor's or master's theses or on doctoral dissertations with free data to the maximum extent specified in this price list. Data are provided in accordance with the licensing rules upon submittal of a confirmed request and a signed transfer protocol. Students only pay an hourly rate for work related to the provision of data in the case of complex data processing.

<sup>3</sup> Subject to approval of the MoE.

<sup>4</sup> Subject to approval of the Radon Risk Association.

**All prices exclude VAT.**

Special rates for employees do not exist.

CZECH  
GEOLOGICAL  
SURVEY

## Our location

**Česká geologická služba**

**Address:** Kostelní 26, Praha 7

**Tel.:** 234 742 111
