

Potential water erosion risk zones HALEKA

Erosion Risk Zone

- no risk
- very low risk
- medium risk
- high risk

Watercourse Network

- Stream/Surface Runoff Concentration

Facilities

- Church
- Market
- Health center
- School
- Bridge

Administrative Unit

- Woreda Administrative Unit
- Kebele Administrative Unit
- Mapped Kabele
- Houses, Tukul
- Road Network

Map projection: Universal Transverse Mercator (UTM) 37N;
Spheroid: WGS84
Coordinate System: UTM-zone 37N in meters longitude & latitude
Units: Degree
Data Sources: Esri, NASA, NGA, USGS, Ethiopian Roads
Authors: Michaela Hrabalíková
