

Building momentum for CCS deployment in the CEE region

CONFERENCE

DATE	6 September 2022, 9:00 – 15:00 CEST
PLACE	Brussels, Residence Palace

EUROPEUM Institute for European Policy and the CCS4CEE project consortium are pleased to invite you to the *Building momentum for CCS deployment in the CEE region* conference. The event will take place on the **6th of September**, 9:00 to 15:00, at **Residence Palace Brussels**.

The purpose of the conference is to establish familiarity of regional actors with the EU-level CCS policy initiatives, to introduce funding opportunities that could be used to facilitate and accelerate the deployment of CCS projects in the region, as well as to enable and encourage communication and cooperation among regional stakeholders and EU representatives. We will host speakers and panellists representing the EU institutions (i.a. the European Parliament, and the European Commission) and Member States, CCS project developers from the CEE region, as well as civil society.

Please **register** for the event in order to confirm your participation.

If you cannot attend the conference in person, you will be able to follow the event online.

We look forward to seeing you there!

With warm regards,

CCS4CEE Team
